

30502 HOBBIE CAT ARTESANIA LATINA

Product Description

1/35 Scale. The model ship kits made by Artesania Latina are produced in Barcelona, Spain, and are respected by hobbyists worldwide as among the most detailed and historically accurate ship kits. Artesania Latina ships are created from the exact plans of the real historical ships, and employ wood from real wood planks. The result is a collection of the ultimate wooden ship kits for the amateur modeler. Latina rates the difficulty level at one anchor, recommended for beginning modelers.
